

Exclusive North American importer of CHARACTERE styling components for fitment on Audi and Porsche® cars

Elegant European styling components for Audi, Porsche® Boxster® and Porsche® 996 cars

**A word about LLTEK:** LLTEK Motorsports is the exclusive North American importer of components for the CHARACTERE line of styling products for fitment to Audi cars. Styling components are available for the Audi TT, the Audi A4 (1996-2001) B5 chassis and the newly released Audi A4 (2002+) B6 chassis (8E/8G). LLTEK now introduces a new line of Caractere styling components for the Audi Cabriolet including a restyled front grill and tasteful rear spoiler. In addition, LLTEK is now offering a Caractere line of styling components for fitment to the Porsche® 996 and the Porsche® Boxster®. Styling highlights feature genuine carbon fiber venting louvers plus a functional genuine carbon fiber lower center twin channel air diverter to enhance front brake cooling. Finally, do not forget the carbon fiber accent on the rear bumper! All products are available pre-painted as an option to facilitate ownership.

**LLTEK and CARACTERE: Porsche®**

CARACTERE line of styling components for Porsche® 996 and Porsche® Boxster® is manufactured in high quality composite and carbon fiber materials. Installation is uncomplicated and if you select the paint option, the car transformation is ultra quick. The visual reward is superb. Examine the carbon fiber front louvers, the carbon fiber twin channel air ducts and the rear bumper carbon fiber accent. Caractere stylists know how to design. For Porsche® 996, the Caractere front bumper is currently available. New side sills and a new rear bumper are to be released shortly. Still, the addition of the Caractere front bumper to any Porsche® 996 creates a stunning transformation. Protective mesh is available in base silver or standard black. For additional details and to order, contact LLTEK today.

## A CABRIOLET DESIGNED WITH CARACTERE!

### LLTEK and CARACTERE: Audi

Express your spirit and freedom with the exciting Caractere styling program for the Audi A4 Cabriolet! Create a more sporty, aggressive yet tastefully elegant look with four simple upgrades. The new front lower bumper creates a dramatic frontal appearance with bold air intakes. The lower rear center valance is stylish and accented by sporty mesh, further defining the exhaust tips (included). The classic low profile rear spoiler is both subtle and sporty. The front sport grill is a dynamic and bold statement. Other new options, such as suspension, performance exhaust, sport mirrors, and many more products are under development. The entire LLTEK wheel program is currently available for the cabriolet model. LLTEK offers all components preprepared as a convenient option.

Valance includes oversized exhaust tips

<sup>(1)</sup> Not for Porsche® 996 2003 <sup>(2)</sup> Performance exhaust under development for 3.0 FWD and 1.8T quattro. All pricing in US dollars and subject to change. TBA: To be announced, call for details.
